Appeal from the District Court of the Seventh Judicial District of the State of Idaho, Bonneville County. Honorable Joel E. Tingey, District Judge.

Pedersen Whitehead & Hanby, Twin Falls, attorneys for Appellant Holly Rich.

Duke Evett, Boise, attorney for Respondent Hepworth Holzer, LLP.

Hawley Troxell Ennis & Hawley, LLP, attorneys for Respondents E. Craig Daue and Buxbaum Daue, PLLC.

This appeal arises out of a claim for legal malpractice. Holly Rich brought a legal malpractice claim against her attorneys stemming from their legal representation of Rich in a medical malpractice action. The district court dismissed Rich's legal malpractice claim on summary judgment, concluding that Rich's expert witnesses were not qualified to testify, and her supplemental witness disclosure was late. Rich timely appeals, arguing that the district court applied the wrong legal standard for causation in a legal malpractice claim and erred in striking her supplemental witness disclosure.
